

BASIC BEEF 10% FINISHER

PRODUCT CODE: 549

FEED TYPE: Textured with Meal

NON-MEDICATED

FEATURES & BENEFITS

- **Economical:** A blend of corn and corn distillers along with minerals and vitamins to be used as a beef finisher.
- **Fixed formulations:** Our formulas use only carefully-selected premium ingredients that provide the best nutritional value.
- **Expertly Formulated:** A team of experienced nutritionists create balanced formulas to meet all the nutritional needs of your calves.

FEEDING DIRECTIONS

Feed as the sole grain ration along with hay, silage, or pasture to cattle to produce the desired body condition or gain. If feeding free choice, provide adequate feeder space and don't let the cattle be out of feed. Slowly acquaint cattle to high grain diets to prevent rumen upset. Free choice salt and commercial mineral is advisable. Provide clean, fresh water at all times.

CUSTOM OPTIONS *(requires minimum order)*

Available with Rumensin
 Available with Aureomycin
