

NG 20% CHICK STARTER CRUMBLES

PRODUCT CODE: 702

FEED TYPE: Crumbles

NON-MEDICATED

FEATURES & BENEFITS

- Non-GMO complete, high-energy diet designed to help chicks get off to a fast, healthy start. Promotes feather development.
- **Fixed formulations:** Our formulas use only carefully-selected premium ingredients that provide the best nutritional value.
- **Expertly Formulated:** A team of experienced nutritionists create balanced formulas to meet all the nutritional needs of your poultry.
- **Health & Productivity:** NG 20% Chick Starter Crumbles is designed to balance amino acids along with protein, fat, fiber, and vitamin levels to ensure optimal nutrition and a strong, healthy start.

FEEDING DIRECTIONS

Feed as the sole ration to starting and growing chicks. **Broilers:** Feed from start through finish or feed for the first 4 weeks then switch to a grower ration. **Pullets:** Feed from start through to the time the first egg is laid or switch to a grower ration at 8 weeks of age. Provide a fresh, clean supply of water at all times. Grit may be feed if desired.
