

NG 14% DAIRY COMPLETE

PRODUCT CODE: 711

FEED TYPE: Meal

NON-MEDICATED

FEATURES & BENEFITS

- Non-GMO complete ground feed for lactating dairy cows and growing heifers. Contains oats for an excellent fiber source.
- **Fixed formulations:** Our formulas use only carefully-selected premium ingredients that provide the best nutritional value.
- **Expertly Formulated:** A team of experienced nutritionists create balanced formulas to meet all the nutritional needs of your cows.
- **Health & Productivity:** NG 14% Dairy Complete is designed to balance protein, fat, fiber, and vitamin levels to ensure optimal nutrition and maximize milk production.

FEEDING DIRECTIONS

To be fed at the rate of 0.6% of body weight along with good quality forage to growing heifers and bulls over 12 months of age. A free choice mineral and salt is recommended. For lactating dairy animals feed at the rate of 1 pound of this ration for each 2.8 pounds of milk produced along with excellent quality forage fed free choice. If additional protein is required for increased milk production, top dress with Soybean Meal. Free choice the appropriate minerals.

WARNING: Contains added copper. Do not feed to sheep or other copper-sensitive species.
