

OHV005A HEIFER MINERAL w/Availa

PRODUCT CODE: OHV005A

FEED TYPE: Mineral

MEDICATED - RUMENSIN

1,728 g/ton. For improved feed efficiency.

FEATURES & BENEFITS

- Western Ohio Ag Nutrition is an independent nutrition company partnered with Walnut Hill Feeds. Founded by Dan Schrader of Darke County, Ohio, Western Ohio Ag Nutrition offers a complete nutrition package, including forage analysis, on-farm troubleshooting, and customized financial projections. *(Services offered depend on farm size, verify requirements with Walnut Hill).*
- **Fixed formulations:** Formulated to meet animal needs from vitamins and trace minerals to rumen function and health.
- **Complete mix** of vitamins and trace minerals.
- **Formulated** for growing calves and heifers.
- Contains Availa for foot health.

FEEDING DIRECTIONS

Do not feed undiluted. Feed at 4 oz/hd/day. Mix in a complete feed at a rate per ton for the resulting mix to provide between 50-480 mg of Monensin per head daily. Provide clean, fresh water at all times.

CAUTION: Do not allow horses or other equines access to formulations containing Monensin. Ingestion of Monensin by equines has been fatal. Feeding undiluted or mixing errors resulting in high concentrations of Monensin could be fatal to cattle. Must be thoroughly mixed in feeds before use; do not feed undiluted.

WARNING: A withdrawal time has not been established for pre-ruminating calves. Do not use in calves to be processed for veal.
