

CS ALTER EGO DOE FEED 20R

PRODUCT CODE: 1024

FEED TYPE: Textured

MEDICATED - RUMENSIN

20 g/ton. For the prevention and control of coccidiosis caused by *Eimeria christenseni* and *Eimeria ninakohlyimovae*.

FEATURES & BENEFITS

- Alter Ego Show Goats and Champion's Select have teamed up yet again, this time to develop a premium textured feed with 15% protein specifically designed for your goat breeding program. We recommend pairing with our free choice Alter Ego Breeder Complete Mineral Tubs or Loose Mineral.
- **Contains Ammonium Chloride:** to help reduce the risk of urinary calculi.
- **Textured** to improve feed consumption
- **Fixed formulations:** Our formulas use only carefully-selected premium ingredients that provide the best nutritional value.
- **Expertly Formulated:** A team of experienced nutritionists create balanced formulas to provide a maximum benefit for reproductive health in your breeding, artificial insemination or embryo transfer program
- **Health & Productivity:** CS Alter Ego Doe Feed 20R is designed to balance protein, mineral, and vitamin levels to ensure optimal nutrition and performance.

FEEDING DIRECTIONS

Feed complete feed (20g/ton) continuously to goats as the sole rations. Feed with hay.

WARNING: This feed contains supplemental copper. Do not feed to sheep.

CAUTION: Do not allow horses or other equines access to feed containing monensin. Ingestion of monensin by horses has been fatal. Monensin medicated cattle and goat feeds are safe for use in cattle and goats only. Consumption by unapproved species may result in toxic reactions. Do not exceed the levels of monensin recommended in the feeding directions, as reduced average daily gains may result. If feed refusals containing monensin are fed to other groups of cattle, the concentration of monensin in the refusals and amount of refusals fed should be taken into consideration to prevent monensin overdosing.

GUARANTEED ANALYSIS

Crude Protein, Min.....	15.0%
<i>This includes not more than 1.2% equivalent crude protein from non-protein nitrogen</i>	
Crude Fat, Min.....	3.1%
Crude Fiber, Max.....	12.0%
Acid Detergent Fiber, Maximum.....	15.0%
Calcium.....	Min..0.9%.....Max..1.4%
Phosphorus (P), Min.....	0.5%
Salt (NaCl).....	Min..1.0%.....Max..1.5%
Copper (Cu),	Min..24 ppm.....Max..35 ppm
Selenium (Se), Min.....	1.0 ppm
Vitamin A, Min.....	7,900 IU/lb.

INGREDIENTS

Grain Products, Plant Protein Products, Roughage Products, Molasses Products, Processed Grain By-Products, Calcium Carbonate, Ammonium Chloride, Vegetable Oil, Water, Vitamin A Supplement, Vitamin E Supplement, Urea Formaldehyde Condensation Polymer, Yeast Extract, Propionic Acid (preservative), Ammonium Hydroxide, Butylated Hydroxytoluene (preservative), FD&C Red #40, FD&C Blue #1, Phosphoric Acid, Sorbic Acid (preservative), Benzoic Acid (preservative), Propylparaben (preservative), Methylparaben (preservative) and Butylated Hydroxyanisole (preservative), Acetic Acid, Monocalcium Phosphate, Salt, Magnesium Oxide, Potassium Chloride, Animal Fat, Artificial Flavors, Sodium Selenite, Zinc Amino Acid Complex, Manganese Amino Acid Complex, Copper Amino Acid Complex, Cobalt Glucoheptonate, Zinc Sulfate, Manganese Sulfate, dl-alpha Tocopheryl Acetate, Copper Sulfate, Zinc Hydroxychloride, Manganese Hydroxychloride, Hydrated Sodium Calcium, Aluminosilicate, Basic Copper Chloride, Ethylenediamine Dihydride, Sodium Selenite, Vitamin D3 Supplement, Cobalt Carbonate, Vitamin A Acetate, Copper Sulfate, Ferrous Sulfate, Mineral Oil.
